

DRESS CODE

REGISTRATION & TUITION

The Vibe dance season is divided into three 12-week sessions.

Session 1: September 5 - November 25

Session 2: November 28 - March 3

Session 3: Mar 6 - June 3

A non-refundable \$25 per dancer registration fee is due at the start of registration, annually, to hold a spot in class. Once registered, a student's class placement is considered reserved for the session. It is required that each family has a valid credit card on file. Tuition will be charged on a monthly basis. A late fee of \$15 will be added if payment is over four days past due. If late payment is due to an expired or declined credit card on file, this fee still applies.

A student who withdraws from Vibe must do so in writing. You are responsible for all charges to your account through the postmarked date of your withdrawal. There will be a \$50 withdrawal fee if the student withdraws before the end of a session. Students will be automatically enrolled for Session 2 unless otherwise requested.

REGISTRATION APPROVAL AND PAYMENT

Registered classes will be reviewed and approved by our instructors prior to payment being processed. If the instructors feel that a dancer is registered for a class that will not be a good match, they will recommend a preferred class. Once that is agreed upon by all parties and registration is approved, then payment will be processed.

INSURANCE

Vibe does not carry medical insurance for its students. It is understood that if injury occurs, the student's own policy is their only source of reimbursement.

WEATHER RELATED CLOSINGS

Vibe will follow the Middleton-Cross Plains Area School District for all weather related closings; however, if the weather clears up before classes begin, families will be made aware that classes plan to run. Announcements will be made on the studio website, through the email list and on our Facebook and Instagram pages. No make-up classes will be scheduled for weather closings, but you may make-up the lesson in a comparable class, in the same style, on another day if available. There are no guarantees that a comparable class in the same style and level will be available for a make-up.

HOLIDAYS

Vibe will be closed for the following holidays:

Labor Day Sept 5

Thanksgiving Nov 24-27

Winter Break Dec 18-Jan 1

Spring Break Mar 26-Apr 2

Memorial Day May 29

Classes missed due to a holiday may be made up in another class of the same style, if available.

*Winter and Spring Breaks are not part of the monthly fee schedule, so families will not be charged for these breaks.

CLASS CHANGES, MISSED CLASSES, AND CANCELLATIONS

Due to enrollment, registration and scheduling changes, Vibe may at any time combine classes, change class times, combine or cancel classes with less than three (3) students, or have a substitute or replacement instructor if needed. If any class has less than three students in attendance, the instructor may shorten the class and parents will be notified. If a student taking a solo, duet or trio lesson needs to cancel, the class is not eligible for make-up. If the instructor needs to cancel one of these classes, it will be eligible for make-up. If a student misses a group class, it is eligible for make-up by attending another class of the same style. It is not guaranteed that another class in the same style and level will be available for the student to take. There are no refunds or credits for missed group classes. If Vibe needs to cancel a group class, it may be rescheduled as a make-up with the instructor if possible, and if not, it may be eligible for make-up by way of taking a different class in the same style. The availability of a different class in the same style and same level is not guaranteed.

ATTENDANCE

Good attendance is imperative, as absences and tardiness can hold back an entire class, and the studio cannot jeopardize its responsibilities to the rest of the class for one student. Please make every effort to have your child at every class. Only announced absences may be made-up. Make-up classes are not transferable to other students or sessions. There will be no refunds or credits for missed classes, vacations, or illnesses. If classes are missed habitually, a student's place in class or recital may not be guaranteed. This is particularly important during recital preparation.

CLASS PLACEMENT

Class placement is decided upon by the instructors, not the business manager or administrative staff. Parents are encouraged to register their dancer(s) for classes based on age and experience level. Vibe instructors reserve the right to move students to a more appropriate class if the registered class is not a good fit. Instructors will communicate these changes and recommendations with parents directly. Any inquiries regarding where a dancer should be placed can be made to the Vibe office and then will be passed along to the instructors to guide parents as to which classes their dancer(s) should register for. The instructors look out for the best interest of the students and consider their personal dance journey, growth, and development when placing them in classes.

SUPPLEMENTAL TRAINING

Additional training opportunities beyond classes may be available to students per request. Inquiries regarding setting up supplemental training sessions are communicated to the Vibe office staff and then discussed with instructors to arrange an appropriate fit for the student. Once an instructor and student are paired up, scheduling and payment will be handled by the office. Supplemental training fees vary by instructor, and covers both the Vibe studio rental fee and the instructor's hourly rate of pay.

PERFORMANCE AND COSTUMES

Our year-end Summer Showcase will be held in June. A recital fee of \$30 per dancer or \$50 per family will be collected in mid-March, to help cover the costs of putting on such an event. Costumes typically range anywhere from \$50 & up, depending on the age of the dancer. A \$50 non-refundable deposit per costume is due in mid-December. All costumes must be paid in full before costumes are distributed. Payment plans are available for those with multiple costumes - please contact us to set up a payment schedule. Recital tights and shoes are not included in the price of the costumes.

- Please refer to our Dancer Code of Conduct and Note to Parents/Guardians to understand Vibe's expectations.
- Vibe does not discriminate based on race, ethnicity, sexual orientation, body type, sex, gender expression, ability, or religion, etc.

RESPONSIBILITY FOR SAFETY

There are certain risks that are inherent in any dance activity. Each Vibe member, guest, or nonmember participant agrees to accept personal responsibility for his or her safety. Vibe cannot ensure the safety of any participants. In participating at Vibe activities, each such person agrees to hold harmless and free of blame the instructors, and the Vibe officers and members, for any accident, injury, lost or damaged property, or illness that might be sustained from their participation. Pictures or video taken during performances and class time may be used for publicity purposes in newspapers, brochures, our website or social media, etc. All Vibe Dance Madison, LLC. and ConfiDANCE waivers must be signed prior to participation.

DANCER CODE OF CONDUCT

- Make every effort to attend classes regularly and avoid absences.
- Arrive to class early and ready to dance (mentally, physically, and dressed appropriately; per the studio dress code). Come to class with a positive attitude and readiness to learn.
- Use the restroom before class begins.
- Tardiness is to be avoided. Classes typically begin with a warm-up, which is an important component to class and prepares the dancer's body to be ready for physical activity and avoid injury. If a student is over 10 minutes late, participation will be up to the instructor.
- Do not leave the classroom during class without permission from the instructor (please ask permission to use the restroom, etc.).
- Practice respect in the classroom for your instructors, assistants, and fellow dancers. When another group is dancing through a progression or combination, observe from the side, without being distracting, and provide support for your peers. Be aware of your body language (no hands on hips, folded arms, sitting down, etc.). Refrain from correcting other students unless specifically asked by your teacher to provide constructive criticism. Take corrections from your teachers positively and thank them for the corrections! Thank your teacher after class.
- No talking during class (unless the teacher grants you permission and there is an open discussion taking place relevant to classwork – do not talk over your teacher or other dancers).
- If injured, observing class is encouraged. When observing class, maintain respect by not talking or distracting the teacher and students.
- If taking class with a pre-existing injury, notify the instructor before class, and take responsibility for self-care and marking as necessary.
- Alert teacher immediately if injured in class.
- No cellphones are allowed in the classroom. Please ask the instructor for permission, if time at the end of class allows, to use your phone to take video of a combination or progression learned in class.
- No food, drinks, gum, or candy is allowed in class. Please bring a water bottle.
- Dancers are expected to be respectful of the waiting areas, dressing rooms, and studio space while keeping their belongings tidy. Vibe is not responsible for lost or stolen items.
- Dancers are expected to clean up after themselves in all areas of the studio.
- Any classwork posted on social media must be approved by the instructor and Vibe must be credited/tagged.
- When using social media (private or public) in relation to Vibe, never post anything that could compromise the self-esteem of students. Do not post negative comments about other dancers, staff, teachers, assistant teachers, parents, dances, performances, etc. Do not post any pieces of choreography in their entirety, and if posting a section of choreography, ask for permission from the choreographer/instructor.
- A positive culture is especially important to us. Speaking negatively of teachers, assistant teachers, staff, students, or parents from Vibe or any other dance school will not be tolerated.
- Bullying will NOT be tolerated in the studio or on social media. Any behavior of this nature brought to the attention of the Vibe staff may result in a meeting with the dancer and their parents/guardians.

A NOTE TO PARENTS/GUARDIANS

We encourage parents/guardians to review the above Dancer Code of Conduct with their dancer(s) and to remind them, as needed, of our expectations. We love when parents/guardians come and watch their dancer(s) as often as possible through each studio's viewing area. We want you to feel comfortable, welcome, and at home at Vibe! We do ask that if your child is a young dancer that you be available at any time during class to assist with using the restroom or for any behavioral assistance as needed. Young children (both dancers and siblings in the waiting area) require supervision at all times. If you ever have a question for an instructor, please refrain from talking to them during class or trying to catch them in between classes, as they are often regrouping and preparing for their next class. Feel free to reach out with a phone call or an e-mail with any questions you may have for your dancer's instructor. Please be aware of the above Dancer Code of Conduct in how it also relates to your conduct, as a parent/guardian, by way of also practicing respectful communication with staff, instructors, fellow dance parents/guardians, appropriate social media use, etc.
